

A Winning Solution for Your College Athletes

The Risk Strategies Student Health Athletic Division offers specialized insurance solutions tailored for college and university athletic programs, including intercollegiate, club, and intramural sports.

Just like your athletes, our team is dedicated to excellence.

- Our Athletic Division focuses exclusively on student-athlete accident insurance. With over 60 years of combined experience, no one knows the industry better.
- You will receive tailored insurance plans that coordinate with your student health insurance plan for a comprehensive program.
- We have a proprietary online claims submission and risk management system that simplifies the claims process.
- Our solutions include innovative ancillary products for uninsured and international student-athletes.
- We have existing partnerships with ALL industry carriers and third-party administrators.
- We use an analytic approach to evaluating the funding method and plan design, supported by an on-staff underwriter with over 20 years' experience in athletic coverage.
- We are familiar with NCAA, NAIA, and NJCAA regulations and will continuously monitor and communicate regulatory changes that could affect your plan.
- Your dedicated team offers concierge level unsurpassed CARE for you and your athletes. Your team will provide:
 - Claims advocacy and coordination to make sure your claims are paid timely and accurately
 - Training for you and staff (trainers, coaches) on coverage and best practices
 - Communications support with custom-designed plan materials
