

StudentCare Plus

Commitment to the care and well-being of all students

What is StudentCare Plus?

StudentCare Plus is a cost-effective alternative to offering a traditional student health insurance plan for all students.

StudentCare Plus combines accident coverage, telehealth for physical and behavioral health, and a student assistance program under one product offering to promote the care and well-being of all students. Additional student-focused solutions like dental insurance, vision insurance, tuition reimbursement, and dorm and renters' insurance are also available.

With StudentCare Plus accident coverage, students receive:

- Up to \$90,000 in accident injury benefits
- 24-hour world-wide coverage
- Coverage for intercollegiate sports accidents

Why StudentCare Plus?

- Ability to offer an affordable alternative to a student health insurance plan
- Provide ALL students with meaningful benefits that will provide care and well-being solutions
- Have resources available to meet the demand for behavioral health care
- Potentially eliminate the need for secondary athletic accident insurance
- Supplemental benefits to offset individual insurance expenses like deductibles and co-insurance
- Reduce your institutions liability exposure
- Technical, medical and agricultural vocation friendly

Did you know?

Approximately 22% of all students that attend college in the US do not have health insurance at the time of admission?

StudentCare Plus can be up to **20 times less than a student health insurance plan**
