RISK MANAGEMENT SOLUTIONS

We See Risk Through Your Lens

Colleges and universities have unique exposures that put them at risk. Risk Strategies provides the right expert knowledge, insights, and resources to minimize your exposures through a broad range of tailored coverages and risk management services.

Protecting Your Campus

Specialized Solutions for Educational Institutions

Risk Strategies specializes in a broad range of insurance products required by educational institutions. We work with institutions nationwide to help identify trends and potential liabilities and offer solutions to mitigate risks, prevent loss, and reduce the overall cost of risk.

Whether it's protecting basic operations, crafting policy wording for complex exposures, or enhancing your risk management efforts, our team of specialists knows the issues that arise when negotiating contracts with carriers. Our long-standing presence in the market gives us the access and expertise to insure your institutions from costly exposures.

Industry Insights

Assuring your risk financing decisions are appropriate is critical, so partner with an insurance broker who understands your unique needs. Risk Strategies understands the exposures that colleges and universities face and can tailor programs that meet your exact specifications. We can help protect you from:
