

Solutions For Student Health & Wellness

A Hands-on, CARE-based approach to service excellence

Who We Are

We provide tailored health and wellness solutions for students through Risk Strategies Education. Our comprehensive approach addresses physical, mental, and financial wellbeing, offering health insurance for domestic and international students, as well as student athletes. Beyond insurance, we provide telehealth services, behavioral health support, student assistance programs, and nutrition and fitness resources.

Our plan administration services support these solutions, featuring innovative technology for enrollment, waiver management, billing, and reporting, with seamless integration into university systems. Our dedicated team is committed to exceptional service, grounded in a philosophy of CARE for you and your students.

Student Insurance Coverages

Our Approach

- ✓ As a trusted advisor, we will review all components of your program – not just your insurance plans. Our goal is to set students up for long-term success with the protection of their physical, mental, and financial health – including students who are not on the student health plan
- ✓ We employ a formal, streamlined approach to renewal management using data to ensure you're making informed decisions. Our deep-dive analyses provide an understanding of your claims and costs which then informs a 360° review of your plan benefits and program design
- ✓ With over 500 college and university partners nationwide, strong partnerships with all insurance carriers in the market, and in-house underwriting expertise, we have the tools and strength to negotiate competitive rates

Our CARE

- ✓ Hands-on, CARE-based approach to service excellence for you and your students with dedicated, concierge-level service from a trusted team of professionals who know student health
- ✓ Multi-level, specialist approach to plan implementation and servicing from experts in Health Plan Cost and Benefits Analysis, Student Health Underwriting, Data Analytics, Project Management, Information Technology, Marketing & Communications, and more
- ✓ Omni-channel approach to Student Care with multiple communications channels to meet the needs of today's student
- ✓ Focus on informing and educating today's students through our custom, digital-first communications support
